Hi Jackie,

We have met several times at various safety meetings with the Hollywood Media District.

Lisa Schechter, our Executive Director, suggested that I contact you with an ongoing problem with motorhomes near Bancroft Middle School.

Our Neighborhood Prosecutor Steve Houchin, the Assistant Principal at Bancroft. Mr. Flores and our Senior LAPD Lead Officer Paul Jordan is also aware of the problem as well as CD4 and Parking Enforcement.

In your capacity as Safe passages to Schools with the City Attorney, I thought you should also be aware of the situation.

Perhaps we can all work together to alleviate a problem before it becomes bigger and more intractable.

Thanks!

Ron

Captain Smith,

I am business owner in Hollywood and a Board member of the Hollywood Media District. We have a severe parking problem in our District which affects many of our businesses.

I recently attended a Safety meeting of ours in which Ofc. Eddie Guerra encouraged me to contact you about a persistent parking problem with several motorhomes that are *always* parked in our vicinity.

I should mention that I personally reported several violations in the past, both to Parking Enforcement Dispatch and to Sgt. Bailey-Grey.

The 5 or 6 motorhomes in question are parked between 6500 and 6800 Romaine St, between Highland Ave and Seward St.

They are in violation of several ordinances:

1. Within 500 ft. of a school (Bancroft Middle school) (3 RVS)
2. 2 hr. parking between 10pm and 6am (all of Romaine) (All 5 RVs)
3. Wastewater dispensed into buckets or containers (2 RVs)

The RVs in question as of today 10-19-17 at 5pm

1. Aerbus CA 2XQK764 Tan with Burgundy stripes
2. Itasca Windcruiser CA 2CFW944 White with grey stripe
3. Southwind IN R488EK Tan with brown stripe
4. Winnebago CA 3ESP995 White with blue stripe
5. Dodge Itasca CA 2KYT634 Tan with brown and burgundy stripes

As I said, these vehicles are always in our vicinity and have been for several months,

We realize that your resources are thin during the early morning hours in particular but this has been a persistent problem for our businesses and the nearby school for more than a year.

Please have one of your officers come out to issue parking tickets to help us out - this is encouraging a homeless and health problem in our neighborhood.

Thank you,

Ron
